This diagram shows an exploded view of a mechanical assembly. The main component is a long, curved arm. At the top of the arm is a small, rounded end piece (11). Along the upper curve of the arm, there are two sets of fasteners (12) that appear to be pins or bolts. The arm is connected to a base structure. On the left side, there is a vertical support post (4) that is secured with a bolt (5) and a nut (6). A bracket (10) is attached to the side of the arm. On the right side, there is another vertical support post (4) that is secured with a bolt (5) and a nut (6). A bracket (10) is also attached to the side of the arm. The diagram includes numbered callouts 1 through 12, which correspond to the parts and fasteners shown. The parts are labeled as follows: 1. Base plate, 2. Pin, 3. Pin, 4. Vertical support post, 5. Bolt, 6. Nut, 7. Pin, 8. Pin, 9. Pin, 10. Bracket, 11. End piece, 12. Pin.
