ViO25-4

PREFACE

(1). This parts catalog is for Yanmar crawler excavator VIO25-4 for Europe.

(2). This parts catalog does not contain the technical data needed for service.

The illustrations used in this parts catalog have been simplified for clarification.

The content of this parts catalog is subject to change without prior notice.

Be sure to use only Yanmar genuine spare-parts. If imitation parts are used, it may cause machine defects.

(3). How to read this parts catalog: Parts change may be made without prior notice.

- Pos | Position number. The position number is in accordance with the position number on the illustration.

- Parts Number | The Parts Number is the identification number of the parts.

- ~|> | The first serial number of machine using this parts.

- >|~ | The last serial number of machine using this parts.

- Description | The name of the parts. Some parts can have a wrong translation.

- I. | Interchangeability. In the case where a part change took place, one of the following interchangeability marks is indicated for that part.

N: Old --> New, New part is interchangeable for Old Part but not interchangeable conversely

Q: Old <-- New, New part is not interchangeable for Old Part but not interchangeable conversely

R: Old <--> New, New Part is interchangeable for Old and vice versa.

S: Old <-X-> New, New Part is not interchangeable for Old and vice versa.

F: Interchangeable only by set.

K: Change only in quantity used.

- Q. | Quantity.

- R. | Remarques

- S. | If the box is empty, the part is not saleable.

- P. | The page where you can find the details for this modules.
