

Product Description

XBH 8X8-2 Standard amphibious vehicle with folding shelter 800cc 8 Wheel 4 Stroke ATV

Product Description

XBH 8×8-2 Standard Equipment Vehicle with folding vehicle Introduction:	
Body Parameters:	
Dimension:	3160×1720×1150mm
Wheel Base:	670×670×670mm
Track:	1420mm
Minimum Ground Clearance:	180mm
Complete Vehicle Kerb Mass:	750kg
Rated Load:	On Land:500kg(6 People) On Water:300kg(4 People)
Performance Parameters:	
Start Mode:	Key
Ignition Mode:	EFI
Battery Specification:	12V/60Ah
Drive Mode:	On Land: All-wheel Drive On Water: All-wheel Drive or Outboard Drive
Top Speed:	On Land:45km/h On Water: 5km/h(Tyre Stroke)or 12km/h(15HP Outboard)
Minimum Turning Radius:	0.71m

Maximum Climbing Angle:	32 °
Approach Angle:	54 °
Departure Angle:	57 °
Brake Mode:	Caliper Hydraulic Brake
Tyre Specification:	25×12(11.5)-9NHS
Tyre Pressure:	5-7psi (34.5-48.3kPa) With Track: 3-5psi(20.7-34.5kPa)
Transmission Mode:	Belt and Chain Transmission
Dynamic Parameters:	
Engine Model:	SQR372
Engine Type:	Vertical 3-Cylinder, Water-cooling, 4-Stroke, Inline DOHC
Oil-supply Mode:	MPI
Cylinder Diameter ×Stroke:	3-72×66.5mm
Displacement:	812ml
Compression Ratio:	9.5:1
Rated Power and Turning Speed:	39kW(6000r/min)
Max. Torque and Turning Speed:	70N·m(3500~4000r/min)
Idle Speed:	900±50r/min
Lubricating Mode:	Pressure and Splash Lubrication
Cooling Mode:	Forced Circulation and Antifreeze Coolant
Clutch System:	CVT
Transmission Type:	CVT+2 Forward Gears, Neutral, Reverse Gear
Fuel Type:	Gasoline 93#
Oil Tank Capacity:	38L
Others:	
Optional Equipment:	Bumper, Drain Equipment, Traction Ball Head, Safety Belt, Rear Foot Pedal, Winch, Outboard Motor, Track, Foldable Windshield, Windshield Wiper, Anti-roll Rack, Top, Convertible Top, Utility Storage Pouch, Vehicle

	Cover, Alert Lamp, Four-way Overheating Prevention System, Heating System, Snow Plough, Breakwater Board etc.
Performance Characteristics:	8×8 All Wheel Drive, Braking Differential Steering, CVT, 32 Degree Climbing, 360 Degree Turning on the Ground, 1 Meter Wide Trenches Across, ±40 °C Temperature Work and Full-sealed High Strength Vehicle Body etc.
Certificate:	CE certificate, CCS certificate and National Motor Vehicle Products Quality Supervision and Inspection Center certificate.
Functionality:	Rescue, Exploration, Hunting, Fishing, Tourism, Entertainment etc.
Application Scope:	All Terrains such as Swamp, Beach, Non-paved Road; Rivers, Lakes and other Calm Waters (4 grade water); Hills, Snow Land, Forest, Desert etc.
